

# Kanandah Kapers

*DECEMBER  
2021*

**Welcome to the final Kanandah Kapers for 2021! It's been another challenging year with COVID 19 and continued lockdowns, but hopefully we can look forward to continuing easing of restrictions and life getting back to "normal" in the New Year.**

**Christmas is almost upon us, and preparations for Christmas parties are well underway. Please remember that residents can share the day with one guest only, and invitations have been sent out. The Stringy Bark Band will be performing on the day as well.**

**Of course it wouldn't be a Kanandah Christmas without the mischievous Elf showing up where you least expect him - so keep your eyes peeled!**

**Christmas light tours are also scheduled for later this month.**

**We wish everyone at Kanandah a very merry Christmas!**
