NEWS

Residents will have noticed that the work is well under way for the new extension to Kanandah. The self care units have been demolished, and construction will be under-way shortly.

It's a busy time of the year, and everyone has been busy getting started on Christmas craft and decorating for next month. The residents' Christmas dinner will be on Wednesday 15th December, with a luncheon in Douro Lodge and evening meal for Mortimer Cottage and Hostel residents. Invitations have gone out and each resident is able to have one guest this year under current restrictions. This year's dinner will be an Australiana/bush Christmas theme—so get ready to see some gum leaves!

You will have noticed that we have a new face in the Activities department. Georgie has recently joined the team and will be working regularly in Hostel and Douro Lodge.
