NEWS

Lest We Forget.

Last month we had our ANZAC Day Ceremony. Residents and staff participated to remember all those brave people who fought for our country. It can be an emotional time for many of us who had family involved in one of the wars, but it's important to stop and provide this time of remembrance. The ANZAC silhouettes we painted for our display looked great on the wall too, very effective.

Hopefully everyone enjoyed their Easter. We had a Easter egg hunts in all areas of Kanandah and had fun as a group tracking them all down. I wonder if we missed any and if there is still one egg waiting out in the garden to be found.

Some of us have been using the Zoom service to contact family and it has been great for us and our families to see each other. If you are interested in trying this service out, see Phil or Donna.

We have been having a variety of new movies and documentaries this month and it has been an enjoyable change. Many of the documentaries take us around the world, and in this time when we can't go out due to restrictions it helps to broaden our world a bit and make us feel less constricted.

On Mothers' Day our Catering staff are preparing a lovely Mother's Day Lunch for us and don't forget the Café is always there for us to use even though it is temporarily not open to the general public.

Our Birthday Party and Happy Hour will be on as usual. Come along and enjoy some favourite music, chat and have snacks and drinks in good company.

CHANGES

LIBRARY BOOKS

The virus can survive on books for 3 days. If you want books please ask Donna or Phil to provide and collect books. We will collect and isolate books long enough for the virus to die before returning to the bookcase.

WATTLE CAFÉ & CANTEEN

Café open 7 days 10am to 3pm, but closed over Easter. If Café is unattended please see the Kitchen.

The Café will now stock most common items from the Canteen.

SHOPPING

The preferred method to for shopping is to contact your family and they can drop the goods into the front office, then staff will deliver it to you. If unable to do this you can fill out a Shopping form available in a green folder at the front foyer office by 3pm Thursday.

***Note:** To reduce risk of infection Administration staff will shop only in 3 places (Woolworths, Big W and Blooms Chemist).*

Supplies may be limited in store, so if not available staff could buy an alternative item if you add this to your description on the form.

HAIRDRESSER

We have 2 staff who are also qualified Hairdressers and will be available either Thursdays or Fridays to cut, set and blow dry hair.

PODIATRIST will continue to visit every second week.

ZOOM—to contact family

Zoom is a service available for you to see and speak to your family on a screen. If interested please see Donna or Phil.

CHURCH

Church Services are temporarily out of action in Kanandah & also in the community. While not a complete replacement, "Songs of Praise" is on the ABC at 11.30am on Sundays. Please ask staff to put this on the TV in activity spaces if you are interested.
